Best of the

BEST KIDS' MENU

You want oysters and Champagne; they want ice cream and a coloring book. It's all at **Foreign Cinema**. We favor the patio brunch, where parents can nibble on a croque monsieur while the kids get crayons, a little coloring book made of Xeroxed drawings from *The Larousse Treasury of Country Cooking* and a prix-fixe menu, including fresh fruit, their choice of excellent French toast or grilled cheese, and ice cream. No compromising necessary. 2534 Mission St., 415-648-7600, foreigncinema.com
